Subject: RE: OED<>ID.me

I cannot tell who has lead on moving this forward, but I am forwarding the invite to Heather Wyland so she can assign someone from OED procurement to ensure we have them in lock step with us so if we decide to procure this solution we avoid roadblocks that might occur if procurement is brought in late.

I'm cc'ing Jan here, as well, to ensure we have someone tracking this effort from an IT PM perspective.

Thank you...
