Subject: ID.me DOL BPA Webinar This Friday
Date: Tuesday, September 14, 2021 7:46:15 AM

Mere Work from ID.me informed us about a DOL webinar for ID.me. I did not understand what she meant about getting communiques from DOL, so I am forwarding this email to you if you are interested in registering for this Friday. I will contact Miriam about registration. Let me know if you are interested in. Thank you!

Thank you!

Hi Heather,

I do not. Right now, DOL has said it is for states only, so you should be able to attend but we cannot, as vendors. The COR is Miriam: Holst.Miriam.J@dol.gov She should be able to provide a link! Also, someone on the OED team who normally gets the communiques from DOL should be looped in, as well.

Please shoot Miriam a note to get the invite!

Thanks-

Hi Mere,

Do you have a link to the webinar for Friday that you can send/share with Nameun and I so we have a better understanding of the process?

Thank you,

Hi Nameun and Heather!

I took SHI off the thread because I did want to let you know that ID.me was one of the companies awarded the \$1.2B BPA from DOL. Therefore, the state would be able to purchase us directly through that contract, off of GSA with DOL. The DOL is holding a webinar this Friday, Sept 17, with more information on the specifics for ordering, etc.

Hopefully that helps! There are significant funds under the BPA for additional items (more help support, training, in-person solutions, etc), so I do think it would be a valuable resource for OED. Happy to provide more info if this is the first you're hearing about it, as well.

Also, Dan and Hal (cc'd) have taken over OED for me--I am assisting but please include them in any emails!

Thanks!

Hi Brandon and Mere,

I hope you have been doing well. I was wondering if you have any update on signing a partner agreement between ID.me and SHI.

Earlier this year, OED could not purchase the ID.me through SHI; however, for any future purchase after the COVID-19 emergency, OED would like to purchase it from SHI, which has a price agreement with the State of Oregon.

If you have any questions or concerns, please feel free to contact me.

Thank you and have a wonderful day!

Hi Nameun,

We have received the quote and are working on it now. I do want to note, however, that ID.me is not currently available under PA 9404. Is the intent to use that contract? If so, I can approach Mere about signing on as a named partner but that process is not usually a quick one.

Good morning Brandon,

This email is to give you a heads up and letting you know that OED is waiting on SHI's quote for ID.me.

I just wanted to make sure that I get a copy of the quote as soon as SHI have a quote. This is an urgent matter, so letting you know about it.

If you have any questions, please let me know.
Thank you and have a wonderful day!
