Good Morning,

1. The Weekly Verification Report is attached for your review.
2. The file from yesterday was re-sent (Dan, please let me know if you did not receive it). Unsure why that one didn't go through last night, but it should be good now!
3. Our team is discussing internally the best way to move forward with the 12,000 emails next week. More to follow soon!

Thanks,
Dan
