Hi Mere, I hope you had a good couple of holiday's. The Oregon Employment Department is looking forward to working with ID.me. We are would like to get our procurement process started and would like a quote provided through SHI. The quote would be for a State landing page, per match cost (new and existing ID), and a statement of work. If there is more you need to generate the quote, just let us know. I have include Nameun from procurement and Lori who will be our project manager.

I also receive some additional questions from our IT shop. What method/s does ID.me use to send us results? I believe you told us SFTP but I wanted to verify. When possible, they would also like a sample file or file layout so we can start setting our systems up internally to process the file.

Thanks in advance
