Dave,

The claimant failed the self service flow and was directed to a Trusted Referee (TR). He has not attempted the TR flow yet. We sent him instructions on what is needed for a TR session as well as a direct link to join when ready. The current TR wait time is under 2 minutes.

Thanks,
Dan

I've got, 

Customer states:

Can't get through ID.me process, can't get a response from ID.me support. Says he cannot get past a certain point and even shaved his beard.

That's all the details provided by our service tech at this point. Are you able to see where he is getting hungup?

Dave

Dave,

We can look up accounts by SSN, but it is easiest to look up accounts by: Name, Email, and Phone number.

Please let me know what you need!

Are you able to check the status of specific SSNs in your process (assuming they have gotten to the point of entering one)?
