Perfect! Wine is in hand, ha... We have a nicer agenda that I will send to you or we can go through during that call, as well. I might need a few POCs from you, but will get that later.

Thanks!

Hi Mere,

Please disregard my previous email. The 27th at 1pm does work out so I went ahead and set it up for 1.5 hours. Let me know if you think I should extend it.

Have a great weekend! Hopefully you're already enjoying it 😊

Hey Lori-

Given that the 26th isn't imperative, my vote would be to focus on executing the contract, and I believe Dave has some comms stuff already that he is reviewing. I have a kickoff agenda (that looks nicer ha), but the attached word doc is the basis of what we cover/who we need on a kickoff call.

Would OED be available next week on Wednesday Jan 27th at 1pm PT?

Thanks!

Hi Mere,

Thank you for the quick response. I'll coordinate with you to get the kick-off scheduled. Did I read your below statement correctly in that the kick-off meeting attendees should be mainly the Comms Team?

Just an FYI – I don't remember if we covered this when we last met: due to balancing the priorities around implementing new legislation and currently being in compliance through IDH we are not firm on the Jan 26th implementation date, though we are motivated to keep moving forward as quickly as we can.

I'll call you tomorrow morning to coordinate the Kick-off.

Thanks,

Lori

Hi Nameun,

Please find our COI and comments attached. Lori--if this is expected to be live by the 26th (?) or soon thereafter, we need to have a kickoff meeting ASAP (tomorrow?). The ID.me team has an offsite Monday/Tuesday of next week and we will not be available for meetings. I'm happy to pass along what needs to be done--the work is mostly for your comms team, in reality (url: <https://hosted-pages.id.me/oregon-employment-department-identity-proofing> and Spanish: <https://hosted-pages.id.me/oregon-employment-department-identity-proofing-spanish>)

Of note, we *do* change our Privacy policy and other items that you found on our website occasionally, so we cannot be bound to a single version of our ToS as we need to update it to keep up with changes in laws, etc. Ideally we would simply cross-reference our website and not include the text as an attachment (same for Privacy Policy).

Additionally, we made a few notes in the document, but we cannot gate who gets sent to the [REDACTED]. That is one of the downsides of the [REDACTED] versus the direct integration; we will charge for anyone who is verified, regardless of if they were on OED's email list or not.

Finally, for Exhibit B -5 (Insurance)--we had requested our COI as soon as we saw your email, since we needed to get a quick turn. In doing so, we did not add Oregon as an end user. More comments are attached.

Thank you,

Hi Nameun,

I've sent this to our legal team but I cannot guarantee we will be able to have everything back to you by 3 tomorrow; we will do our best. Apologies for including POC language in the draft services work I sent over ([REDACTED] als, 3 mo), we will revise to

the [REDACTED] credentials for OED.

Please find our W-9 attached.

Please have your legal counsel review the attached and provide redlined version or approval of the draft with response to OED's questions/comments in the draft (also listed below) to me by Thursday, January 21, 2021, 3:00 PM (PST). We

hope to get the contract executed on or before Tuesday, January 26, so thank you and ID.me team in advance for a timely response to our request.

ø Please add the Contractor (ID.me)'s Contract Administrator's info on page 1.

ø Please respond to OED's questions to clarify sections 6.1 under Attachment 1. We might just need clarification on these. Thank you.

ø Please note the following re: Exhibit A - Statement of Work -

- Pages 17-21 (including Tasks and Deliverables) were drafted based on ID.me's "Employment Benefits and Integration_Web" document
- Attachment 1: Id.me Service Agreement was copied from ID.me's "Service Agreement" except for (1) the Order Form and (2) signature page of the Service Agreement.
- Attachment 2: Id.me Terms of Service (ID.me's document intended for ID.me users, copied from ID.me's website)

- Attachment 4: Id.me Biometric Data Privacy Policy (ID.me's document intended for ID.me users, copied from ID.me's website)
- Attachment 5: Id.me Cookie Policy and Credentials Policy (ID.me's document intended for ID.me users, copied from ID.me's website)

ø Also, provide the following contract-required documents with a redlined version or approval of the draft contract with comments/answers requested by OED:

- Certificate of Insurance: Please refer to Exhibit B on page 62 for

the types and the coverage of amount of required insurance.

- Completed W-9.
- Completed Letter of Assurance – Criminal Background Check: Exhibit C on page 63.
- Completed Independent Contractor Certification: Exhibit E on page 68.

If you or your legal counsel have any questions or concerns, please email me and cc: Heather.E.Wyland@oregon.gov (OED Procurement Manager/DPO, 971-718-7000).
