Heath,

See the email with a direct quote from ID.me for additional information.

Brandon explained this morning that SHI needs a partnership agreement with ID.me for OED to purchase ID.me from SHI under PA 9404.

Since we are running out of time to get OED compliant with the new requirement, we might direct contract with ID.me while we are asking ID.me and SHI to have an agreement in place.

According to ID.me, the credentials priced at [REDACTED] can be dropped if there are more purchased by others.

On the other hand, "pay as you go" option (non-tier) for [REDACTED] cannot be dropped, and OED will not purchase "pay as you go."

It looks like their pricing catalog. I assume we have picked a tier and are asking for a tier quote from SHI at this point?
