Good Afternoon Bill,

This was intended as an initial notice of a policy change that we wanted to give as much advance notice on as possible. I do not have answers today on applicability, scope, or timelines. That being said, I am aware that OED's contract with ID.me was only signed in January.

Before we put a meeting on the books, please allow me a few days to get more information on my end. When I know more I will notify this group and we can determine if a meeting is even necessary...I'm all for less meetings!

Thanks,
Dan

Dan,

For clarity, and possibly to avoid scheduling yet another meeting, is this new proposed fee something ID.me would attempt to pursue at the end of our existing contract (upon renewal) or something that is more imminent?

If this new fee will not be pursued until the expiration of our existing contract/upon renewal, we don't have any reason to schedule a meeting to discuss this further at this time. Please let me know.

Good Afternoon,

The proposed \$10,000/ month fee for a hosted landing page (HLP) is still under review internally. I wanted to let you know today that it was a possibility in the future, but I do not have any more specifics on timeline, applicability, etc.

We are happy to have a conversation early next week, either Monday or Tuesday. Tiffany, I will reach out to you separately to coordinate a meeting time that works for OED and ID.me.

Thanks,
Dan

Hi Dan,

In light of the announcement this morning that IDme is looking at charging states \$10,000/month for use of the home landing page without the single sign-on implementation, we would like a meeting with the appropriate IDme staff Wednesday or Thursday of this week. Our contract administrator, Bill Truex, and our procurement and contracts specialists will be there along with Dave Villani.

Please get with Tiffany Holt who is copied on this email to set up time preferably Wednesday or Thursday of this week. Her phone number is 971-701-3929.

Tiffany, I will be out of the office the rest of this week. Please include the OED staff included in this email (except me). Bill is aware of this meeting.

Thank you!

Lori
