Hi Dave

Good to hear from you and yes:

mere.work@id.me Sr Account Exec
jeremy.haynes@id.me A Sr UI Domain Tech Lead

You can certainly let me know as an Intro that you received the names from me

thanks

Hi Lou, I hope you're the right person to follow up with. The Oregon Employment Department is interested in talking with ID.me and having a technical demo with our IT shop. I'm hoping you can put me in contact with the right person to get something setup. Thanks for any help you can provide.
