Moving quick is a great feature. Wednesday Dec 9th at 10am for one hour works great for OED. Being fairly new to being the middle man, are you going to send a meeting invite I can pass to staff on my end or do we need to set something up?

Thanks

Hi Dave,

Ha, we move quickly around here :-) Ok, for next week I can offer:

- Monday Dec 7 12pm PT
- Tuesday Dec 8 at 11am PT
- Wednesday Dec 9 at 10am PT

Do you need 30 min or an hour? If we want to get technical, I suggest an hour and can always cut it short if we wrap up.

Thanks!

I'll see if I can get them together next week. I did not expect such a quick opening to meet with you, nice job on that.

Hi Dave,

Thanks for reaching out! We'd love to have a technical discussion with your IT folks, and have the following availability:

- Thurs Dec 3 (tomorrow) 1:30 PT
- Friday Dec 4 9am PT
- Friday Dec 4 1pm PT

Would any of those work for you? If not we can look for times next week, as well.

Thank you,

Hello Jeremy and Mere, I received your contact info from Lou Ansaldi. I participated in one of the NASWA calls with ID.me and provided my feedback to management. The Oregon Employment Department is interested in what ID.me has to offer and would be interested in setting up a technical demo with our IT shop. I'm currently working with IT for their availability and wanted to see when ID.me might be available as well. Thanks for your time.
