Hi Mere,

We shall see – PA 9404 (Participating Addendum 9404 Oregon) is under NASPO Value Point Master Agreement AR2404.

Whether we get this directly with IN.me or purchase through SHI, getting the partnership agreement in place for OED to purchase from SHI is important (and we want to get it done ASAP).

Thank you for being flexible and responding to me quickly.
Please feel free to contact me any time.

Hi Nameun,

Sure thing! Please find the quote attached.

I will look into the PA 9404 with SHI--shouldn't be a problem, but we have not had an issue at any other state so I wonder if it's an Oregon-specific issue. Regardless, we will get it figured out!

Thank you,

Mere,

Would you please forward the quote you sent to SHI for OED?

Since we are running out of time, for the first purchase for ID.me, we will pursue a direct contract under emergency.

In the meantime, would you please have a partnership agreement in place with SHI for OED to purchase ID.me services in the near future?

If you have any questions, please feel free to contact me.

Thank you!

Mere,

Brandon from SHI informed OED this morning that a partnership agreement between SHI and ID.me is needed for OED to purchase ID.me.

Is this something you can take care of it? Thank you!

It's kind of a dual-layered thing... We can sell ID.me, but if you're intending to buy under PA 9404 then there's a second partner agreement needed specifically to enable us to offer their solutions under that agreement's unique terms.

It depends on how agreeable or not a partner is to the terms. There is minimal red-lining allowed since the vast majority of the terms are flow-downs that need to be held by all parties involved. I have seen some partners sign on without batting an eye, and others that can take weeks or months to get it through their legal. I have also seen some partners have to decline.

Hi Brandon,

I am checking with OED authorities on this. How long does it take for a partnership agreement execution?

Hi Nameun,

We have received the quote and are working on it now. I do want to note, however, that ID.me is not currently available under PA 9404. Is the intent to use that contract? If so, I can approach Mere about signing on as a named partner but that process is not usually a quick one.

Good morning Brandon,

This email is to give you a heads up and letting you know that OED is waiting on SHI's quote for ID.me.

I just wanted to make sure that I get a copy of the quote as soon as SHI have a quote. This is an urgent matter, so letting you know about it.

If you have any questions, please let me know.
Thank you and have a wonderful day!
