Lori,

Would you please send the meeting scheduled for this Wednesday again to Heather? I guess she declined it and forgot about me being out all day on Wednesday.
I reminded her that I will be out all day this Wednesday and Thursday.

Thank you so much!

Hi Heather-

I touched base with Lori earlier. Your comments are with my legal team, but we'd like to discuss contractor requirements (ie what we would need to do--we're hiring 50+ people a week), and also the payments--pricing stays the same, it's more so the gating aspect, which is easier to talk through on the phone.

I think Wednesday still works for the team, just keeping it smaller and not a kickoff meeting.

Thanks!

Hi Mere,

Thank you for the update. Unfortunately the negotiations and contract execution need to be

completed before we have a kickoff meeting. It's a linear process for government to have all the terms nailed down, including pricing prior to incurring debt.

At this time, my calendar looks like:

Tuesday 8-10 am and 4-4:30

Wednesday 8-10 am and 11-12:30 am then 3:30-4:30 pm.

Thursday all morning until 12:30

Friday any time after 11 am.

Also, We may need to have others involved in this part of the negotiations too, since the pricing is something program staff will need to be included in.

Thank you,
Heather

Hi Heather-

Legal is reviewing the comments, but in taking a look at things, we definitely need to set up a call to discuss payments and languages. I am working with my product team to get a clear answer on languages, and I *think* I might have some idea on language that could work (OED claimants, for example) to define payments. I do want to talk through how that would work, though.

Can that be part of the kickoff meeting Lori set up next Wednesday? We have 1.5 hours,

and should only need about 15 minutes to discuss those items. We have an all hands all day Monday/Tuesday and I've been asked to not schedule any meetings if it can be avoided...if it can't, c'est la vie.

Thank you!

Hi Mere,

Please find OED's response to ID.me's comments and edits.

FYI – I will have fluctuating hours next week (half day Tuesday and out on Wednesday and Thursday for all-day training), so please respond to both me and my manager, Heather (Heather.E.Wyland@oregon.gov Cell: 971-718-7000) so she can carry this through if I am out in an effort to see if we can meet the 26th.

Thank you so much and have a wonderful weekend!

Hi Nameun,

Please find our COI and comments attached. Lori--if this is expected to be live by the 26th (?) or soon thereafter, we need to have a kickoff meeting ASAP (tomorrow?). The ID.me team has an offsite Monday/Tuesday of next week and we will not be available for meetings. I'm happy to pass along what needs to be done--the work is mostly for your comms team, in reality (url: <https://hosted-pages.id.me/oregon-employment-department-identity-proofing> and Spanish: <https://hosted-pages.id.me/oregon-employment-department-identity-proofing-spanish>)

Of note, we *do* change our Privacy policy and other items that you found on our website occasionally, so we cannot be bound to a single version of our ToS as we need to update it to keep up with changes in laws, etc. Ideally we would simply cross-reference our website and not include the text as an attachment (same for Privacy Policy).

Additionally, we made a few notes in the document, but we cannot gate who gets sent to the HLP. That is one of the downsides of the HLP versus the direct integration; we will charge for anyone who is verified, regardless of if they were on OED's email list or not.

Finally, for Exhibit B -5 (Insurance)--we had requested our COI as soon as we saw your email, since we needed to get a quick turn. In doing so, we did not add Oregon as an end user. More comments are attached.

Thank you,

Hi Nameun,

I've sent this to our legal team but I cannot guarantee we will be able to have everything back to you by 3 tomorrow; we will do our best. Apologies for including POC language in the draft services work I sent over (5k credentials, 3 mo), we will revise to the 100,000 credentials for OED.

Please find our W-9 attached.
