Thanks, Desi. I did just see a note from Nameun, as well, and that had Mere copied on it. I shot a note over asking to send the quote to both myself and TeamOregon@shi.com.

Hi Desi,

Would you be able to give me the contact info for the person that should be sending us a quote? I can reach out to him/her to make sure that it is sent to my team.

Once we receive it, should the quote be distributed to everyone on this thread?

Hey Brandon, can you give us some thoughts on this.

We have a vendor that we think will be sending something to you to get us a quote.
We want to make sure we don't lose anything in the processes...

Thoughts?

As I understand it, Dave Villani has asked for a quote and that quote will come from SHI.

Heath, do you think that means you and/or your team will get this quote?

Subject: who's getting quote from SHI?

Hi, who exactly is getting the quote from SHI? I'm wondering so we can reach out (if we haven't already) to ensure they know the urgency and find out if they've received it. And we can report our appropriately...

Thanks!

Lori
