Hi (b)(6); (b)(7)(C)

FYI, you will be getting a construction board from the architect to your office, and I will be getting another board with the same information. I have attached the furniture and materials you selected.

As soon as I get the final floor plan from the vendor I will send it to you, so we can have a final conference call to go over the construction materials.

Thank you,

Having that furniture information would be good.
I need a physical address to send the boards to.

I need to send you the furniture colors the field office selected. Please let me know if you need them.
One board is for me, and the other board to our field office. GSA will not get a board.

We have the finish boards for the Scarborough project pretty much wrapped up.
Where should we be sending these boards to (b)(5)

Can you provide locations and the individuals these should be shipped to.
