Barry, let's do one squad on the overpass watching both.

Subject: Blocking Interstate ramps

Last night we had squads for several hours blocking the ramps at 165. If at all possible, I would like to avoid having our squads there. In talking with Gates and Kleinke, the ramps were blocked by the public works vehicles very well. I think it would be best to have construction signs indicating the ramps are closed instead.

If we can make other arrangements such as these signs, then we can free up these two additional squads.

thanks,

Barry
