POLICY & PROCEDURE**

SUBJECT: Special Weapons and Tactics (SWAT) Team		PROCEDURE: 800.100	
DATE ISSUED: 12/04/13	EFFECTIVE DATE: same	CANCELS: 235.175	PAGE: 1 OF 6

PURPOSE: To establish the governing regulations in the selection, training, equipping and use of the Racine County Sheriff's Office Special Weapons and Tactics (SWAT) Team.

1. MISSION

The presence of a highly trained, highly skilled law enforcement tactical unit has been shown to substantially reduce the risk of injury or loss of life to citizens, law enforcement personnel and suspects. Recognizing that a well coordinated team response to critical incidents increases the potential of successful resolutions of critical incidents, it is the intent of the Racine County Sheriff's Office SWAT Team to provide a highly trained and skilled tactical team as a resource for the agency. The mission of the Racine County Sheriff's Office SWAT Team is to support the Sheriff's Office and any other requesting law enforcement agency with a tactical response to critical incidents. Critical incidents are defined as:

1. Hostage Situations: The holding of any person(s) against their will by an armed or potentially armed suspect.
2. Barricade Situations: The standoff created by an armed or potentially armed suspect in any location, whether fortified or not, who is refusing to comply with demands for surrender.
3. High Risk Apprehensions: The arrest or apprehension of armed or potentially armed suspect(s) where there is a likelihood of resistance.
4. High Risk Warrant Service: The service of search or arrest warrants where there is a likelihood of armed or potentially armed suspects and the potential for resistance.
5. Terrorist Incidents: The calculated use of violence (or the threat of violence) against civilians in order to attain goals that are political, religious, or ideological in nature.
6. Special Assignments: Any assignment, approved by the Sheriff or his designee, based upon the threat level or need for special expertise.

2. COMPOSITION

The SWAT Team is composed of sworn personnel appointed by the Sheriff. The size of the team will be maintained at a level that ensures an adequate number of SWAT personnel are available to complete any and all duties they may be assigned.

3. COMMAND AND CONTROL STRUCTURE

APPROVED BY: Sheriff Christopher Schmaling
