Holly,

Yes, I have started a list. The cases I am giving Regi on this first list are cases from my last trip down. These are mostly cases where the attorneys had matters scheduled and then cancelled them before the hearing. I haven't reviewed them on Odyssey yet, so perhaps their motions have already been rescheduled. If so, I do not need a status hearing.

Regie may want to develop her own system, but I have found the most expedient way of doing this is to look up the file on Odyssey, print a copy of the most recent document containing a service list of the parties involved, then prepare the notice and envelopes. I always make an extra copy of the notice and give it to Josephine to put on my calendar.

The Key West cases may be set at 11:30 am on November 15; the Marathon cases may be set at 10:30 am on November 17 and the PK cases may be set on November 17 at 2:00 pm.

The cases are:

Were you going to send me a list of the cases for Regi to work on? Also, we never talked about the Litton Loan v. Hardy case that Judge Audlin wanted to go back to you.

I am glad you are willing to do it. Have you renewed your contract? If not, you definitely won't get paid!!

By copy of this email, I am letting Holly know of your involvement. I appreciate the volunteer offer and it will likely get to the point, as the process continues, that I will need to take you up on it. Until then, we will be able to compensate you for the hours you work IF you have a contract with us.

Re: New Publication: *Residential Foreclosure Bench Book*

The Publications Committee of the Florida Court Education Council is pleased to announce the posting of the *Residential Foreclosure Bench Book* in the Court Education Resource Library on the Florida State Courts intranet. The *Residential Foreclosure Bench Book* was written by the Eleventh Circuit's Judge Jennifer Bailey and Assistant General Counsel Doris Bermudez-Goodrich. Used for a recent judicial education course for judges assigned to hear foreclosure cases, this bench book presents readers with the nuts and bolts of current foreclosure law and procedures.

In addition to this bench book, the Court Education Resource Library, developed by OSCA's Court Education Section and Publications Unit, contains a plethora of judicial education materials, among them, court publications (benchguides, bench books, toolkits, and case summaries); court education program materials; and other useful resources (a catalog of books, manuals, and other publications, including materials by state and national organizations).

A PDF of the bench book is attached, but you can also access it from the Court Education Resource Library, at https://intranet.flcourts.org/osca/Judicial_Education/Library/librarymain.shtml (As the bench book will be periodically updated to reflect changes in foreclosure law and procedure, please visit the site for update notifications.)

Please share this information with judges and court staff who are handling residential mortgage foreclosure cases.

If you have any questions, contact Susan Leseman, OSCA Publications Attorney, at (850) 922-5085 or lesemans@flcourts.org

Can you please email me the form you have as the "Order Directing Clerk to Close Case" so I can modify it. Please type out my whole email address, sharon.hamilton@keyscourts.net so it will get to me from outside the office.

Lourdes, Denise and I are all working on Judge Taylor's pending case load reports. We all have the list you sent me identifying the cases (A-I). When and how often do you want us to report our information to you. For instance I have reviewed approximately 150 cases to date and am still working through the 08 pending cases.

Just let us know your thoughts when you have time.

Holly, the report I sent you on Friday afternoon I did not send to Josephine or Judge Taylor. I think I should send it to one of them for the Judge to review and determine what she wants done on the cases.

What do you think?

Judge Taylor, here are the 2008 and earlier cases I have completed thus far. Denise is working on the 2009 cases and Lourdes is working on the 2010 cases. Once you have had the opportunity to review the attached, please let me know if you want Denise to do up the Status Hearing Orders (with a blank date for Josephine to fill in for your schedule) and the Notices for the cases that need to be noticed for inactivity.

Also please see below per Holly.

Thanks.

Yes, you can send it on to her and let her know I am going to change the case status for purposes of the OSCA monthly report.

Holly, the report I sent you on Friday afternoon I did not send to Josephine or Judge Taylor. I think I should send it to one of them for the Judge to review and determine what she wants done on the cases.

What do you think?

Attachments: 3 JUDGE TAYLOR PENDING CASES.doc

HOLLY, I HAVE ATTACHED THE THIRD BATCH OF OLD FORECLOSURES CASES I HAVE COMPLETED. I HAVE LESS THAN 2 FULL PAGES TO GO AND ALL THE CASES THROUGH 2008 WILL HAVE BEEN REVIEWED. THE PROBLEM I SEE WITH THE ATTACHED BATCH IS THAT MOST OF THE CASES ARE INACTIVE AND NEED A NOTICE OF DISMISSAL, AS THE CASES ARE SO OLD THEY ARE NOT LINKED ON ODYSSEY AND THUS DENISE CANNOT SEE THE STYLE OR THE ADDRESSES FOR COMPLETION OF THE NOTICES. THUS IT APPEARS THAT SHE WILL NEED TO MAKE A LIST OF THE CASES TO HAVE JOSEPHINE REQUEST TO BE PULLED FROM THE CLERK (KEY WEST CASES ONLY) SHE CAN DO PLANTATION KEY AND MARATHON (THERE ARE NOT AS MANY IN MARATHON). ONCE JOSEPHINE HAS THE CASES I CAN EITHER HAVE DENISE COME DOWN AND COPY THE PLEADING WITH THE ABOVE INFORMATION OR ASK ALLISON OR BRANDI IF THEY WOULD MIND HELPING OUT. (OR IS THERE SOMEONE ELSE THAT IS HELPING WITH THE FORECLOSURES DOWN THERE?).

ANY THOUGHTS ON THE MATTER WOULD BE APPRECIATED AS I SEE ALOT OF WORK AHEAD FOR DENISE ON THESE CASES BUT THEY NEED TO BE CLOSED ASAP.

AS ALWAYS SHOULD ANY OF YOU HAVE ANY QUESTIONS PLEASE FEEL FREE TO EMAIL OR CALL ME.

SHARON

Subject: last batch of foreclosure cases from prior pending case load report
Attachments: 4 JUDGE TAYLOR PENDING CASES.doc

I have attached the last batch of the review of the prior pending case load report. Denise is really overwhelmed with the volume of cases and will not be able to get to this list for at least a week. I will be happy to help in anyway I can. Please note that the ** designations indicate Key West cases where we there is not enough information on Odyssey and the cases need to be pulled for the style and attorney information.

I received the latest pending case load report from Holly yesterday and after Court in PK today and Key West tomorrow I will try and start going through them to see what is left.

Let me know if there is anything else.

Sharon

Subject: Foreclosure and Economic Recovery Non-recurring Funding

Chief Judges -

Attached are the final versions of the Foreclosure and Economic Recovery Funding Circuit Allocations chart and the In-courtroom Resources chart. As mentioned in my email last Friday, the Trial Court Budget Commission anticipates that the chief judge in each circuit will work with their clerks to ensure the clerks use their separate appropriation (see excerpt of CS/HB 5401 below) to adequately support the court's plan. These plans (clerk's and court's) need to be shared with the Office of the State Courts Administrator so that the Legislature can be informed of the collaborative work on this issue. In addition, the TCBC approved the requirement that the clerks of court provide data support for this initiative.

The Clerks of Court Operations Corporation (CCOC) Executive Council met on May 25, 2010 to discuss their Finance and Budget (F&B) Committee's recommendation on the methodology for distribution of their foreclosure Appropriation. They discussed the language in CS/HB 5401 and were aware that the TCBC had asked the chief judges to work with the clerks on the plan.

The CCOC F&B Committee's recommendation distributed the \$3.6 million appropriation in the following manner: Part 1 distributes \$1.8 million based on the number of cases as referenced by the TCBC reimbursed at the average per case rate; and Part 2 distributes the remaining \$1.8 million based on Court determined percentage allocation of court appropriations for foreclosures to each of the Judicial Circuits. Since the CCOC F&B methodology does not allocate by county, there was discussion about an appropriate allocation in multi-county jurisdictions. It was decided that the clerks in multi-county jurisdictions should coordinate with each other, and all clerks, in every circuit, should meet with their chief judges to make sure that the county allocations and the clerks' plans match the plan of the chief judges in each circuit.

The clerks stated their understanding that the funding will be available on July 1st and they recognized

the urgency to get the resources in place as soon as possible. They discussed the goal of the appropriation to clear the foreclosure backlog and agreed that they would hire resources to assist the courts in achieving that goal. Their chair, Mr. Forman, offered to send a letter any chief judge, if contact was needed. They also passed a motion to develop a simple tracking system to make sure that they were able to track the money spent on this initiative. They plan to present a more formal plan for the tracking system at their next meeting on June 29, 2010.

Please contact the clerks in your circuit as soon as possible about your plan to fund this initiative. Legislative staff have requested that the clerks' and courts' spending plans be submitted at the same time so that they can ensure that the two plans work together in support of the goal.

The Trial Court Budget Commission plans to discuss this matter again at their June 4th meeting. Please let me know any update on the status of the communication with your clerks before the meeting, if at all possible.

Thank you for your help. Kris

CS/HB 5401 Enrolled - The sum of \$3,600,000 of non-recurring funds from the Clerks of Court Trust Fund is appropriated to the Clerks of Court Operations Corporation to be distributed to the clerks of court where the state court system has distributed the increased resources provided in the 2010-11 General Appropriations Act for workload associated with foreclosure and economic recovery. The corporation shall submit a budget amendment pursuant to chapter 216, Florida Statutes, to distribute the funding among the clerks of court.

It is my screw up and I will send out an e-mail to the group saying that we have not finalized anything and that we are still figuring out the details. I realize that you have to notify OSCA of our use of the funds and if you need me to speak with them and tell

Heather,

The only change for the 19th is how we will utilize our SR judges:

St Lucie County: 3 days (one courtroom per day)

Indian River County: 2 days (one courtroom per day)

Martin County: 0 days

Okeechobee County: 0 days

Thank you.

Heather,

Please see the attached proposal for the Foreclosure and Economic Recovery Program for the 19th Judicial Circuit. This proposal requests that the \$212,729 allocation for this Circuit be distributed as follows:

240 SR Judge Days at \$350/day (\$84,000) and \$12,000 in expense

2 OPS Case Managers including the 7.65% FICA (\$84,238) and \$4,405 in expense

1 OPS SR Judge Amin Support including the 7.65% FICA (\$28,086)

Total: \$212,729

The 240 SR Judge Days is equivalent to .97 FTE assuming 260 work days minus 12 holidays = 248 days. SR Judges will be used 5 days per week for 48 weeks as follows:

St. Lucie County: 4 days per week = .776 FTE, one courtroom at the St. Lucie West Courthouse Annex will be used.

Indian River County: 1 day every other week = .097 FTE, one courtroom at the Indian River County Courthouse will be used.

Martin County: 1 day every other week = .097 FTE, one courtroom at the Martin County Courthouse will be used.

Okeechobee County: 0 days per week = 0.0 FTE.

Kindly contact me with any questions or concerns that you may have.

Thank you for your consideration.

Subject: Foreclosure and Economic Recovery Program Allocations

Good morning,

The Legislature appropriated funding for the Foreclosure and Economic Recovery Program in the amount of \$5,955,606 for FY 2010/11 to the trial courts. These non-recurring funds will be used to provide temporary resources in the trial courts to eliminate backlog in the civil areas. We will be sending information on target backlog reduction goals as well as parameters for implementation and clerk involvement in this program after the May 20, 2010 Trial Court Budget Commission meeting.

The amount of funding authority appropriated for this program is less than the amount originally requested, thus the estimated allotment for each circuit also has been adjusted. You will find the estimated allocation by circuit along with estimated backlog cases in the attached PDF file - Foreclosure and Economic Recovery Program. Considering your adjusted allocation, please indicate, using the attached ForeclosureandEconomicRecovery _ Distribution spreadsheet, how you would like the funds for your circuit distributed - by category and element. For every element (General Magistrates and/or Senior Judges, Case Managers, General Magistrate/Senior Judge Admin Support and Mediation Admin Support) specify the dollar amount and category in which the funds should be allocated - OPS, contracted services and/or expenses dollars. To allow for maximum flexibility, funds may be expended in one or all of the elements.

As a reminder, the funding methodology developed for this proposal is based on the number of backlogged cases (in the civil areas) in each circuit. A ratio of one General Magistrate, one Case Manager and two Administrative Support positions for every 15,000 backlogged cases was applied to estimate need. One Administrative Support position is

dedicated to mediation for the coordination of civil cases covered under this program with the exclusion of residential homestead mortgage foreclosure cases handled through the managed mediation program. The annual salaries used to calculate the allocation amounts were approximately: \$79,688 for General Magistrates, \$39,126 for Case Managers, and \$26,090 for Admin Support.

Additional information is also needed again from the circuits as to how economic recovery resources will be deployed circuit-wide. Court leadership would like to be able to share this information with the clerks so they can plan accordingly, since they were appropriated \$3.6 million to support our initiative. Please provide:

-The amount of magistrate/senior judge FTE's that will be assigned in each county based on the expected workload from the backlogged cases. Note: Single county circuits can ignore this question.

-If you have multiple magistrate/senior judge FTE's in the proposal, what is the maximum number of courtrooms that will be scheduled at any one time in each county?

As usual we are under a tight timeframe. Please respond by Wednesday, May 12th C.O.B.

Please let me know if you have any questions or concerns.

Thanks,
Heather

My intent of all of this is that **as of July 1- Judge Schack, Judge Kanarek and Judge Metzger will not be doing ANY more foreclosures in St. Lucie, Indian River and Martin Counties.** Tom and I are attempting to utilize the money we receive for 3 days each week in SLC; 1 day each week in Martin and 1 day each week in IRC. It will be difficult to begin the process with this many days on July 1. Therefore, the conference call is good for scheduling purposes so we can start slow and then speed up. However, I absolutely do not want any judge besides the senior judge to handle foreclosures in Martin, Okeechobee and SLC after July 1. This hopefully will make your assignments more manageable.

Heather,

Please see the attached proposal for the Foreclosure and Economic Recovery Program for the 19th Judicial Circuit. This proposal requests that the \$212,729 allocation for this Circuit be distributed as follows:

240 SR Judge Days at \$350/day (\$84,000) and \$12,000 in expense

2 OPS Case Managers including the 7.65% FICA (\$84,238) and \$4,405 in expense

1 OPS SR Judge Amin Support including the 7.65% FICA (\$28,086)

Total: \$212,729

The 240 SR Judge Days is equivalent to .97 FTE assuming 260 work days minus 12 holidays = 248 days. SR Judges will be used 5 days per week for 48 weeks as follows:

St. Lucie County: 4 days per week = .776 FTE, one courtroom at the St. Lucie West Courthouse Annex will be used.

Indian River County: 1 day every other week = .097 FTE, one courtroom at the Indian River County Courthouse will be used.

Martin County: 1 day every other week = .097 FTE, one courtroom at the Martin County Courthouse will be used.

Okeechobee County: 0 days per week = 0.0 FTE.

Kindly contact me with any questions or concerns that you may have.

Thank you for your consideration.

Subject: Foreclosure and Economic Recovery Program Allocations

Good morning,

The Legislature appropriated funding for the Foreclosure and Economic Recovery Program in the amount of \$5,955,606 for FY 2010/11 to the trial courts. These non-recurring funds will be used to provide temporary resources in the trial courts to eliminate backlog in the civil areas. We will be sending information on target backlog reduction goals as well as parameters for implementation and clerk involvement in this program after the May 20, 2010 Trial Court Budget Commission meeting.

The amount of funding authority appropriated for this program is less than the amount originally requested, thus the estimated allotment for each circuit also has been adjusted. You will find the estimated allocation by circuit along with estimated backlog cases in the attached PDF file – Foreclosure and Economic Recovery Program. **Considering your adjusted allocation, please indicate, using the attached ForeclosureandEconomicRecovery _ Distribution spreadsheet, how you would like the funds for your circuit distributed – by category and element.** For every element (General Magistrates and/or Senior Judges, Case Managers, General Magistrate/Senior Judge Admin Support and Mediation Admin Support) specify the dollar amount and category in which the funds should be allocated - OPS, contracted services and/or expenses dollars. To allow for maximum flexibility, funds may be expended in one or all of the elements.

As a reminder, the funding methodology developed for this proposal is based on the number of backlogged cases (in the civil areas) in each circuit. A ratio of one General Magistrate, one Case Manager and two Administrative Support positions for every 15,000 backlogged cases was applied to estimate need. One Administrative Support position is dedicated to mediation for the coordination of civil cases covered under this program with the exclusion of residential homestead mortgage foreclosure cases handled through the managed mediation program. The annual salaries used to calculate the allocation amounts were approximately: \$79,688 for General Magistrates, \$39,126 for Case Managers, and \$26,090 for Admin Support.

Additional information is also needed again from the circuits as to how economic recovery resources will be deployed circuit-wide. Court leadership would like to be able to share this information with the clerks so they can plan accordingly, since they were appropriated \$3.6 million to support our initiative. Please provide:

-The amount of **magistrate/senior judge FTE's** that will be assigned **in each**

county based on the expected workload from the backlogged cases. *Note: Single county circuits can ignore this question.*

-If you have multiple **magistrate/senior judge FTE's** in the proposal, what is the maximum number of courtrooms that will be scheduled at any one time **in each county?**

As usual we are under a tight timeframe. Please respond by **Wednesday, May 12th C.O.B.**

Please let me know if you have any questions or concerns.

Thanks,
Heather

Judge Levin and Judge Conner:

Our reduced allotment is \$212,729, approximately 62.2% of the original \$341,988 contemplated. With this new allotment, we can do as follows:

240 SR Judge days which would be 5 days per week for 48 weeks. I suggest we do 4 days per week at St. Lucie West, and 1 day per week alternating weeks in Indian River and Martin respectively so that each of those counties gets 2 full days per month. This amount of resources should be able to address substantially the foreclosure issues in this circuit for the next year, but for contested trials. In addition, we would have **2 case managers (OPS)** and **1 admin. secretary**, as well as **\$16,405 in expense dollars**.

I need to submit our plan to the OSCA by COB tomorrow. Please let me know if this is acceptable, or any changes you would require.

Thank you for your consideration.

Dorothy, please see the email string below. As of late yesterday we were asking to change the way we were going to distribute our SR Judge Days, then this morning I was instructed to change the distribution back to the way we indicated on May 12th.

I apologize for any confusion.

Heather,

My apologies. Apparently, the revised distribution of SR Judge days will not result in the anticipated outcomes, and we will be going back to our submission of May 12, 2010:

St. Lucie County: 3 days per week (one courtroom per day)

Indian River County: 1 day per week (one courtroom per day)

Martin County: 1 day per week (one courtroom per day)

Okeechobee County: 0 days

I apologize for any challenges this causes.

Thank you.

Heather,

The only change for the 19th is how we will utilize our SR judges:

St Lucie County: 3 days (one courtroom per day)

Indian River County: 2 days (one courtroom per day)

Martin County: 0 days

Okeechobee County: 0 days

Thank you.
