Kelly,

Attached is the track changes version of the BTC conops. Also resending the clean version – the previous version omits a period at the end of Paragraph 2.4(6). Francine has approved this for you to clear with the program.

Thank you,

Brian

Sarah,

Please find attached a clean and redline version of our changes to the draft BTC CONOPS. Use previous national password to open.

OCC clears subject to incorporation of our changes.

Although I know that you've had a chance to talk to Francine about these changes, let me or John know if you have any further questions.
