John,

The BDA Program has written a User Guide to assist the field in properly completing the SPOT Referral Report. Sarah wanted the BDA Program to get your review of this User Guide before we send it out to the BDOs in the field.

I've attached the User Guide, along with the Referral Report (current ssi password). Please let me know if you can look this over by July 11 so we can get it to the field.

Let me know if you have any questions or wish to discuss. We really appreciate your review of this document. Thanks,

**Nathan B. Hamilton**
