As of right now, we have not received any requests for Tactical Unit resources for the Kenosha protests. WSD TEU is sending their Bearcat and a QRF tonight. We have agreed with their team that we will not send both teams on the same night so resources in the county are not spread too thinly. If we do receive a request, we will ensure that it is specific and that the rules of engagement are clear and reasonable. If we feel that our expectations are not met, we will not send anyone. If armor is requested, we will send the HUMMV with a gas team.
