This event must have been created sometime yesterday. I looked yesterday morning at their events page <https://www.facebook.com/groups/715276185928320/events> and nothing was on there.

Link to event today. <https://www.facebook.com/groups/715276185928320/events>

Dan-

See below for a Waukesha component....am guessing your crew is on it already.

It looks like the group is the "Break the Silence in the Burbs" group. This was the same one that started to march to the DNC last week. This was originally scheduled back in June. But on their page it makes no mention of Germantown, besides the initial post. They have 2 rallies scheduled for today in Kenosha (6-7pm) and Waukesha (301 Wisconsin Ave, 12-1p).
