I've been inundated by people asking my thoughts on the Kenosha/Jacob Blake shooting. Here's my take:

1. Don't forget the media has an agenda and it tends to not involve waiting for full information

Let's pray this is accurate

State Patrol has possibly been called in for community unrest

Aug 23, 8:31 PM

Copy. Nick's aware - he gave me a heads up on the shooting. Hopefully we don't end up down there

Sunday, Aug 23 • 10:57 PM

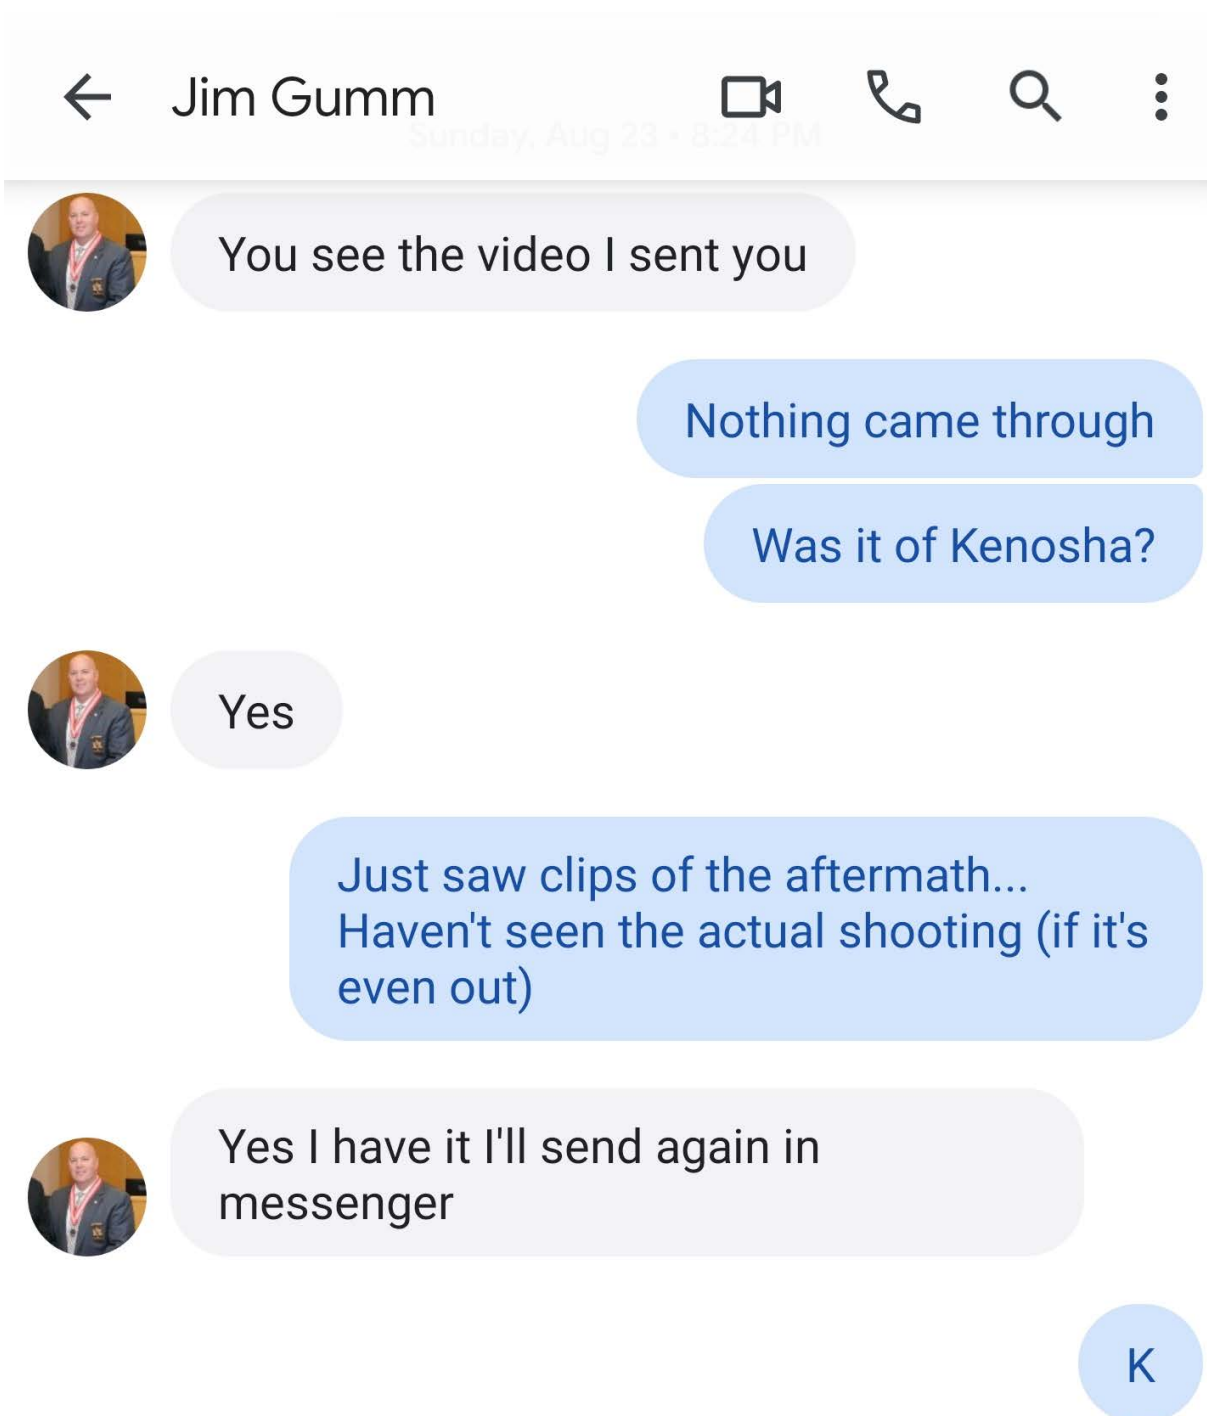

Just talked to Nick... He's gonna wake Greg up, put together a team of 10 or 12, and send them down (with either Nick or Greg as a commander). Nick will then plan for anticipated long term teams tomorrow

Ok Larson out of town?

Yeah

12 total, and Greg is going
