Fellow sheriffs,

As you can imagine, Sheriff Beth of Kenosha County, who is the EPS Area Director for the southeast region, is a bit busy with the civil unrest. Kenosha has put out a statewide request for mutual aid for this unrest. The Deputy Director of the state EPS system, Dallas Neville, asked me to make sure law enforcement in the southeast area of EPS is aware of the mutual aid request over the upcoming weekend. Below you will find the needs.

I thought it was important that the counties in our EPS area (Racine, Walworth, Waukesha, Milwaukee, Ozaukee, Washington and obviously Kenosha County) know about the request from our neighbors. I know this went out as a teletype, but Dallas Neville just wanted to make sure the law enforcement executives were aware of the requests.

If you can make sure the law enforcement executives in your county are aware of it that would also be appreciated.
