

I am **(state your rank, name and duty position)** from **(state your unit/organization)** and am calling in regard to a Wisconsin National Guard civil disturbance mission. Due to the ongoing civil disturbances in our state, Governor Evers has called upon the WI National Guard for assistance. As a result, The Adjutant General has authorized an involuntary call to State Active Duty (SAD) of WIARNG Soldiers to support local authorities responding to civil disturbances.

Before reading you the full script, I am going to ask you a series of questions:

- **Have you visited a high risk area within the last 14 days?**
(CDC-Identified Locations: China, Iran, Most European Countries, UK, Ireland, New York)
- **Have you come in contact with a person known or suspected to have COVID-19?**
- **In the last 24 hours, have you had a fever, cough, difficulty breathing, or unexplained body aches?**
- **Are there any reasons you are unavailable for State Active Duty at this time? If yes, please explain why.** (Examples of acceptable reasons are hardship (at-risk family member in household), childcare challenges that can't be overcome, pregnancy, medical professional or other essential personnel in their civilian capacity)
 - *Enter the reason in Force Gen Tool (Army) or Spreadsheet (Air)*

1. **What is the best way to reach you? Cell:** _____ **Email:** _____

2. **If the Service Member (SM) answers yes to any of the bulleted questions** document the responses accordingly while protecting (not violating HIPAA) health information (use Force Generation Tool) and contact your unit Medical Readiness NCO ASAP

- a. Any "yes" responses to these questions should become a commander consideration. The Battalion Commander has the authority to excuse Soldiers from this mission.

3. **If the SM answers yes to any of the bulleted questions:** Based on your responses, it is unlikely that you will be needed to support this mission. However, based on a large need for Service Members, please ensure you answer future calls from your chain of command. **Public Affairs Guidance:** The Wisconsin National Guard is supporting local authorities responding to civil disturbances, and this is a sensitive topic. Do not discuss this mission or your potential role in it on your personal social media accounts. In addition, please ask your family members to refrain from posting information about your role in this mission on their social media accounts. Do not discuss this mission in any way if you are engaged in a political conversation. If contacted by the media about supporting this mission, refer them to the Wisconsin National Guard Public Affairs Office. Thank you for your time and service. **End of call.**

4. **If the SM answers no to all of the questions, proceed with the following script.**

You are involuntarily ordered to State Active Duty (SAD) for the Wisconsin National Guard. You will be brought onto State Active Duty beginning **DATE**, in a paid status. The expected duration of this mission is 7 days.

You will report to your **ARMORY** on **DATE** at **TIME** wearing appropriate face covering to prevent the spread of COVID-19. You will complete Joint Reception, Staging and Onward Integration (JRSOI),

complete the required civil support training including briefing the Rules of the Use of Force, and then be ready to deploy. You are expected to bring the necessary TA50 related to this mission with you (IBA, ACH, eye pro, ear pro, gloves, knee pads). Mission specific personal protective equipment (PPE) will be provided, and you will draw your weapon.

TASK Organization: You will report to your organic unit and fall under JTF-157.

When: Orders will start on **DATE**. You will report on **DATE**, complete JRSOI and mission-specific training as required.

Where: Your final duty location will be determined based on the operational environment. You will be fully briefed by your leadership and will be provided meals and lodging at your assigned location.

Duty Status: You and those on this mission will be in State Active Duty (SAD) status, *not* under Title 32 federal duty status and funding like the missions supporting the COVID-19 response.

Public Affairs guidance: The Wisconsin National Guard is supporting local authorities responding to civil disturbances, and this is a sensitive topic. Do not discuss this mission or your potential role in it on your personal social media accounts. In addition, please ask your family members to refrain from posting information about your role in this mission on their social media accounts. Do not discuss this mission in any way if you are engaged in a political conversation. If contacted by the media about supporting this mission, refer them to the Wisconsin National Guard Public Affairs Office.

Questions:

Do you have any hardships the commander should take into account?

Do you have any questions?

Again, monitor your phone/email for updates and additional guidance about this mission. Thank you for your service!

End of call.
