Vehicle Location								

Narrative Summary On the above date I was assigned to the WSP strike team for the Kenosha riots/protests. I was assigned as an operator for a 40mm less lethal munitions launcher. While deployed in front of the Kenosha Courthouse I deployed 1 round of 40mm CS gas to the area where projectiles were being launched/thrown at officers. The round I deployed was intentionally skipped on the ground, and I observed it strike the tire of a garbage truck which was approximately 30 yards away from my location.
