Boston, MA 02111

Re: Public Records Request

Dear Mr. Reinstein:

Please be advised that the Department of State Police is not in possession of any of the documents requested in your letter of January 28, 1997.

While the Department has entered into agreements with the F.B.I. and other law enforcement agencies, none of these agreements concern counter-terrorist activities.

If you have any questions or comments please contact me.

Very truly yours,

A handwritten signature in black ink, appearing to read "Gerald P. Densmore".

Gerald P. Densmore, Deputy Counsel  
Mass. State Police, Legal Dept.
