YOU DO NOT NEED A PHOTO ID TO VOTE

- Most voters won't need to show any ID at all.
- You may be asked to show ID if you registered by mail, you didn't provide ID when you registered, and this is your first time voting in a federal election in Minnesota.
- If you're registering and voting on Election Day, you will need to show proof that you live in the precinct where you are voting. Accepted proofs of residency include:
 1. A valid Minnesota driver's license, learner's permit, Minnesota ID card, or receipt for any of these;
 2. A valid student ID card including your photo, if your college has provided a student housing list to election officials;
 3. A Tribal ID card with your picture, signature and address;
 4. A valid voter registration in the same precinct under a different name or address;
 5. A notice of late registration sent to you by your county auditor or city clerk;
 6. A voter registered in the same precinct as you who can confirm your address by signing a statement;
 7. An employee of the residential facility where you live (this includes a shelter, residential alcohol treatment program, veterans home, nursing home, assisted living home, etc.) who can confirm your address by signing an oath;
 8. Or you can use both: 1) an expired Minnesota or federal photo ID (like a driver's license or a passport) AND 2) a current utility bill (like a phone bill) dated within 30 days of Election Day with your current name and address in the precinct.
