

## STATEMENT OF LEVON "BO" JONES

I am innocent. I have always been innocent. In 1993, I refused to plead guilty before my trial because I was innocent. I have always told anyone who asked about a plea that I am innocent.

I am thankful to finally have my freedom. I thank my family for staying by me and always believing in my innocence. I thank the Lord I survived this injustice. I pray that justice will come to Larry Lamb and that he too will be released.
