Mr. Wessler:

Thank you for your correspondence dated February 28, 2014 to Chief DeKay and our Public Records Custodian. I have been asked to I respond on their behalf. As the Legal Advisor for the department, I have reviewed the correspondence you sent regarding the use of cell site simulators (IMSI) by the St. Petersburg Police Department. Inquiries have been made to all appropriate entities within the department, as well as, the Information and Communication Services (ICS) Department for the City of St. Petersburg. Neither the City or the St. Petersburg Police Department uses now or has ever used these site cell simulators. Consequently, we have no information to provide related to your Public Records Request.

Again, thank you for your correspondence and please do not hesitate to call should you have further questions.

Respectfully,

Don Gibson
