Dear Mr. Wessler,

In response to your Public Records Request Regarding Use of Cell Site Simulators within the Titusville Police Department, dated February 28, 2014, I have been in contact with our Special Investigations Department, Sergeant Victor Rodriguez and our Fiscal Analyst Stacey Woodward and both have relayed to me that the Titusville Police Department has not acquired any cell cite simulators and that there are no policies or guidelines governing the use of cell cite simulators in our department.

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Lavada Jenkins".
