Re: Public Records Request
Use of Cell Site Simulators

Dear Mr. Wessler:

The Broward County Sheriff's Office has reviewed your request for records related to this agency's use of cell site simulators described in your February 8, 2014 public records request.

Please be advised that the Broward Sheriff's Office is asserting an exemption to all of these requests under Fla. Stat. §119.071(2)(d), as these requests seek information pertaining to surveillance techniques, procedures, and personnel. The disclosure of information on the capabilities and/or limitations of this agency would compromise the ability of the Broward Sheriff's Office to conduct investigations, and place personnel conducting those investigations at risk.

Should you have any questions or concerns, please do not hesitate to contact me at the above address.

Sincerely,

Terrence O. Lynch
Senior Assistant General Counsel

TOL/dr
