SUPPLEMENTAL DECLARATION OF ESTHER KOONTZ

- I, Esther Koontz, hereby declare and state as follows:
- 1. In Paragraph 18 of my original declaration, I stated: "After signing up [to participate in the Kansas State Department of Education's Teacher Training Program], I began to receive "training requests" via email from [Melissa] Fast. Participants could sign up for any of these trainings, and I indicated I was available for several of them. I told Ms. Fast I would do up to three trainings."
- 2. When I told Ms. Fast I would do up to three trainings, I meant that I would do up to three of the trainings for which I had already indicated my availability. I did not mean that I would only ever perform three teacher trainings for the program. To the contrary, I would like to perform numerous trainings for the program over several years.
- 3. As I stated in Paragraph 25 of my original declaration, I am still interested in receiving teacher training assignments, but I know that I would have to give up my boycott participation and sign the certification in order to do so. I therefore continue to feel unfairly pressured by the certification requirement.
