1 Pursuant to the Order re: Pretrial Filings and Extending Deadlines,
 2 defendants James Elmer Mitchell and John "Bruce" Jessen ("Defendants")
 3 designate the below list of exhibits for trial.
 4

5 Defendants have designated certain exhibits in the alternative, including
 6 but not limited to excerpts of the SSCI Report and documents discussing events
 7 after Plaintiffs' release from CIA custody. These designations are included to
 8 avoid any need for revisions to the Exhibit List if the Court denies Defendants'
 9 Motions in Limine. These designations are not intended to withdraw or waive
 10 Defendants' objections to admission of this evidence, as previously made and as
 11 made in Defendants' forthcoming Motion in Limine and Defendants' response to
 12 Plaintiffs' upcoming designation of the portions of the SSCI report which they
 13 seek to admit. After the Motions in Limine have been ruled upon, Defendants
 14 will identify and withdraw any exhibits impacted by the Court's decision.
