Pursuant to Civil L.R. 3-12, Plaintiffs Sierra Club and Southern Border Communities Coalition respectfully provide the Court with notice of the following related case in the Northern District of California: Sierra Club, et al. v. Donald Trump, et al., No. 4:20-cv-01494 (filed Feb. 28, 2020) and request that the Court consider whether the two cases should be related. Plaintiffs filed the new action in accordance with the Court's direction on February 20, 2020, that "to the extent they want to bring additional claims or allege additional facts in light of Defendants notice regarding authorization of additional border barrier projects they may e-file new complaints that the Court will relate to these actions." Minute Entry, ECF No. 275.

"An action is related to another when: (1) The actions concern substantially the same parties, property, transaction, or event; and (2) it appears likely that there will be an unduly burdensome duplication of labor and expense or conflicting results if the cases are conducted before different Judges." N.D. Cal. Civ. L.R. 3-12(a). Under this standard, the cases are related, as the new action represents a challenge by the same plaintiffs against the same defendants with respect to a continuation of the same event: Defendants' ongoing efforts to divert funds appropriated for other purposes to the construction of a wall at the U.S.-Mexico border. In addition, because the Defendants are acting in purported reliance on the same statutory authorities addressed in the related case, the cases involve substantially overlapping legal issues and litigation before different Judges would likely lead to both burdensome duplication of labor and a danger of conflicting results.

Defendants consent to this motion.
