Is that correct? I recall our initial conversation that these depositions were a fallback when it appeared you might not receive any information from Mr. Rodriguez.

In accordance with paragraph 6 of the discovery stipulation, I accept service of the Touhy request on behalf of the CIA and I have passed the request on to the appropriate officials at CIA for a decision. I am not authorized to accept service of the subpoena on behalf of the two Doe witnesses at this time and will not be authorized to do so, at a minimum, while the Touhy request remains under consideration with the CIA. I will advise you once the CIA has made a decision on your Touhy request.
