Pursuant to Rules 54 and 59 of the Federal Rules of Civil Procedure and principles of equity Defendants respectfully move this Court to reconsider, amend or alter, and provide for relief from this Court's March 29, 2018 Order (ECF No. 84, entered March 30, 2018). In that Order, the Court declined to accept the Report and Recommendation of the Magistrate Judge. However, in so holding, the Order did not discuss certain filings made by Defendants. The grounds for this motion are set forth more fully in the memorandum in support filed herewith.

Respectfully submitted,
