Subject: RE: RICO funds

Kim,

All of my RICO funds are used to supplement the salaries of my employees and office operating expenses. This use of my RICO funds has become necessary to avoid furloughs and/or layoffs as the county has cut back on staffing due to budget cuts. It is also why it is not so easy for me to subsidize APAAC's obligations by assuming responsibility for reimbursing my employees for training expenses.

Please let me know if you have any questions.

Cochise County Attorney

ALL:

As you are aware, there is some criticism amongst the chattering classes regarding RICO funds. I am doing a survey as to the uses for which RICO funds are applied in your communities. If you could provide a listing with just general information about the various uses to me by close of business Friday, March 15, 2013, I would greatly appreciate it.

Thank you,
