**Re: Computer Filtering System**

Dear Ms. Herzfeld:

MNPS continues to explore the ramifications of your request. Unblocking this particular category of websites is not a simple task. There are many issues to consider. We are in discussions with ENA and Blue Coat as to available technology and possible extra costs to MNPS.

MNPS has not reached a final decision on your request. MNPS remains committed to reaching a resolution in the near future.

Sincerely,

A handwritten signature in cursive script that reads "ME Johnston".

Mary E. Johnston
